In case of loss, please return to:

---

To those who never stop seeking  
their path.

If you are not easily satisfied  
with compromises, if you reject  
all clichés and fleeting fashions  
and if you are constantly on the  
lookout for new impulses, we are  
kindred spirits. The quest is our  
journey's destination.

"Be yourself; everyone else is  
already taken."

— Oscar Wilde

BECOME YOUR  
OWN STORY

Today we arise under a cerulean sky. The sunrays spear through the clouds, flitting in a velvety chiaroscuro dance.

Travelling towards Murano, on the hunt for glass treasures.

I just discovered the *murina*: a tiny object that encloses centuries of history and mastery in a single glass droplet that is both new and ancient all at once. A gem to be carried with you always as a reminder that perfection always lies in the details.

*New volumes, new fabrics, new comfort: style accepts no compromise or indecision.*

There is no elegance without  
comfort. I want to forget  
about what I'm wearing,  
become as one with my  
clothing so I can go about  
my day.

*Elegance is the rare and perfect balance between contrasts:  
classic and contemporary, lightness and structure, perfection  
and movement.*

*Luxury is an intimate experience.  
It's the hidden warmth on an icy day.*

*Solid cashmere fabric with a graphene membrane that collects the body heat and evenly distributes it on all body in 5 minutes*

- Jacket in the Box -

The light that flits through the windows of the buildings envelops us like a swath of warm, voluptuous fabric.

*Real mother-of-pearl buttons*

I'm looking for harmony among the force of opposing tensions. Unique shapes, lines and patterns can transform each item into a unique piece.

*I want to feel free to move,  
to live and even to change.  
Style is freedom, never  
constraint.*
